Dear Vince:

Under separate cover I am sending copies of the photographs you requested during your November-December visit to the Marshall Foundation. Please forward them to Lou Benson for his attention. For the record, please note that proper credit should be given to the Marshall Foundation when used for publication purposes. (Courtesy of the George C. Marshall Research Foundation, Lexington, VA) This has been indicated on the back of each photo for posterity's sake.

I have also enclosed a bill of \$73.00 payable to the Marshall Foundation. I realize this is somewhat expensive, even at the "reduced rate" we receive, but this is the price we have to pay for not having our own photography equipment. It is also costly insurance against having photographs lost or damaged in transit. I hope you understand our policy in this regard.

I typed an inventory of the material we pulled from the Friedman Correspondence the day after you left Lexington. Enclosed is a copy for your records.

If we can be of service to you or your staff in the future please let us know. Everyone joins me in best wishes.

Sincerely,

Tony
